Kheper Games, Inc. Launches New Good Times HERE WE CUM Game

Kheper Games, Inc. is proud to release its newest romance game, *Good Times HERE WE CUM*.

Good Times HERE WE CUM is a foreplay game that leads to intense orgasms. Players take turns spinning the foreplay spinner and acting out the actions on the other player. One of the eight spins is “earn a die” and when a player earns both dice, then they roll them to select a card to act out from the 36 possible combinations.

Each of the 36 Intense Orgasm Cards contains instructions for sex positions and actions that each lead to amazing orgasms. Some cards are more for him and some are more for her, but each includes instructions for how each player can maximize their pleasure.

“Couples are more and more expanding the variety they seek in our line during this pandemic” explains CEO Brian Pellham. “We offer this game to straight couples but have many options in our line so that every couple can discover new and unique things to do while making love. We saw a massive increase in the popularity of our line in 2020 and continue to see the same in 2021. We’re thrilled that we can continue to help couples stay home and stay safe and have hot CUM-gushing sex with each other during these troubling times.”

Kheper, Inc. has an extensive line of romance games, including: *Mind, Body & Soul, Sex!, Lust!, Let’s Fool Around, Let’s F*ck!, Fantasy Affairs, Intimacy, Oral Sex, Intimate Encounters, Creative Kisses, Seductions Kits*, and many, many more.
